Hubert arrived in Oak Ridge, TN, in 1954 where he met his wife Ann and worked as a machinist at the Y12 plant for almost 40 years until retiring in 1993.

His passion was all things outdoors – hunting (especially turkey!), fishing, camping, motorcycling, and gardening were among his favorites.

He enjoyed time with his friends and family as he camped with the K-Town Sams Camping Chapter, served on the board of directors for the Campbell Outdoor Recreation Association to help establish what is now the TWRA's Royal Blue Wildlife Management Area, and helped create habitat and food plots while a lifetime member of the National Wild Turkey Federation.

The family will announce any memorial services later.

The family suggests contributions in his memories to the NWTf Hunting Heritage JAKES Programs or the American Cancer Society.

Send condolences to Ann and family . . .
