

MARCH 2022 NEWSLETTER

It is the time to start getting ready for the first camping trip of the season. It is different that we didn't go in March. It was definitely good that we didn't go the weekend we would have usually been camping since that was when the snow hit the area. Hopefully we will have some good weather for the upcoming trip to Petit Jean St. Park. It will be nice to have 4 rigs there in attendance. Jackie and I will have someone else coming with us each time now. Jackie's sister, Kathy, has moved from Wisconsin to live with us. I included her on the birthday chart since there was no one else with a birthday in March.

For the Petit Jean trip we will be going to the Mather Lodge in the park for our Friday evening meal. On Saturday night we will be having a cookout together. The plans are to bring your own meat and a side item. Bill has a grill and we will probably be using our Smokey Joe Jr. charcoal grill. We can see where it will be held after everyone gets there. Drive safely and see you all there.
