

December 2018 Newsletter

The Christmas dinner was held at the home of Bill and Sally Wood. The weather outside was frightful but the fire inside was delightful. All members were in attendance except Linda and Glenn Baker and Rodney Auburn. As you know, Linda just had surgery on her knee the day before and was not feeling up to par. We were a bit crowded, but had a wonderful time. Our pot luck meal was a hit and we enjoyed all the varied dishes. Thanks to Jackie for preparing the ham and Bill for the turkey. We had to spread out in order to seat everyone, some in the dining room, in the kitchen and in the living room. We gathered to discuss the next years camping schedule, but will continue that at our next meeting at the Half Shell in January. New on the schedule is Mountain View, AR with Huntsville, AL another possible destination. We also discussed taking an extra side trip or two. Afterwards we played "Dirty Santa" with numerous "steals". Cindy got her gift stolen about 4 times. We broke up into groups and played games. Wilma, Shirley, Connie and Sally were playing cards and Ed, Cecilia, Judy and Bob had a rousing game of dominoes. Cecilia got excited over some move she made and had a "cow". It's always fun to be together and I think everyone had a good time. The weather started to get bad with news that the roads would be icing up as the front pushed across the Mississippi so we hurried up to leave so that we could beat the weather.

Those celebrating December birthdays are Alesia and Connie and those celebrating anniversaries are Reggie and Cindy Wilson and Bill and Sally Wood.

This will be my last newsletter as Klancy and Jackie will be taking over in the new year. I have enjoyed writing about our various adventures and am looking forward to someone elses views. A very Merry Christmas to all and Bill and I wish you the very best in the New Year.
