

FEBRUARY 2017 NEWSLETTER

Perkins Restaurant on Germantown Road was the site of our February meeting. After a delicious meal, Bill called the meeting to order. There were 12 members present. It was good to see Ms. Georginna feeling better and Jackie getting around although still recovering from knee replacement surgery. News is kind of skimpy this time. We had no birthdays or anniversaries this month. Judy won the Pot of Gold and Guy won the door prize of a flag wind sock. Glenn presented two options for our first campout of the year. AAA RV Park in Union City or Reelfoot. We opted for Reelfoot. It's only a half hour drive from Reelfoot to Union City where Discovery Park of America is located so that might be of interest to some. On display through April is the DaVinci Machines and Robotics Exhibit from Italy. Also the campout will be on the third weekend (16-18 March) in order to allow Bill and Sally to attend the State meeting in Lebanon on March 11th. Plan to pack something green to wear as St. Paddy's Day is on Friday the 17th.

I understand the old groundhog came out of his hole in the ground and saw his shadow, meaning 6 more week of winter weather if you can believe that! Also "Happy Valentine's Day" to all. Bill and I went on the Chocolate Tour in Covington this past Saturday and scored a pile of chocolate goodies of all kinds.

Some of our folks need your continued prayers, Linda's brother-in-law passed away recently and Cindy's sister is not doing well. The Millers missed our meeting as Buster was at Vanderbilt to have his pacemaker checked. Continue to remember Reggie although word is that he is enjoying camping at BelleChase Naval Air Station in Louisiana at the present time, but will see us next month at Reelfoot. If you haven't made March reservations yet, do so as soon as possible as fishing season is the middle to latter part of the month and the campground may be filling up.

REMINDER - April and May campouts will be on the third weekends due to Easter and Mother's Day.

I was able to get photos of Moma G, Klancy, and Jackie in their white River M Shirts so all I need to get the new roster out is Reggie and Cindy. Bill has been trying to download the photos on the computer, but isn't having much luck yet. He swears the procedure changes every time!!! Looking forward to our first campout of the year. Hope to see you there.
