WAGON MASTER REPORT:

Mark your calendar's now for the March camp out, so you will be sure and not forget!!! We will be camping on the property of Phil & Amanda Spencer, [520 Foster Drive, Ringgold GA](#). They have water & electric sites! It will be a relaxing and laid back camp out, but we will still have fun and enjoy catching up with all the news from everyone!!! Directions are on the camping schedule that you received at the Sweetheart lunch, or that I emailed to you!! Looking forward to seeing you there! Bring you camper and settle in for a good weekend!! If you can't, then by all means, feel free to stop by and visit!! Safe Travels.

SUNSHINE LADY REPORT:

Please continue to keep Shirley Gasaway as she continues her Chemo Treatments! Shirley Tucker has had some more heart testing, and has been sick. Gary Inman continues to have good days and bad days, we are hoping more good than bad. Brenda Latham has been sick with Diverticulitis and a UTI. Doug and Sandra Ellis continue to both have testing and procedures. Actually, continually remember all of our members in your thoughts and prayers! This flu season combined with our ages, and bad weather insures we all need a little extra prayers sent for us!

Congratulations to Stephanie Smith on the birth of a granddaughter on February 1st.
